

## Workshops in 2024 on Maltese Radiation Protection Legislation

The Commission for the Protection from Ionising and Non-Ionising Radiation will be running 4 workshops during 2024. The workshops will be 2 hours long.

These workshops will be of interest for persons with assigned responsibilities for radiation protection as well as managers from facilities that use radiation.

Typically, the workshops will include a short Power-Point presentation of the legal framework followed by group exercises and general discussions during which you will be encouraged to share the challenges you face in your work to promote active and challenging discussions.

All workshops will be held at the Commission's premises in Mosta Technopark in the afternoons between 2 and 4 pm and will be free of charge to attend.

There are up to 12 places available on each workshop and places will be allocated on a first come first served basis.

You will receive a certificate of attendance at the end of the session.

If you have attended one workshop in 2024 and would like to attend another, you can do so but only if there is space available.

To make the workshops available to as many people as possible they will be repeated during the year as you can see in the timetable below:

<del>5-Jan-2024</del>	<del>Role of the Medical Physics Expert</del>
<del>2-Feb-2024</del>	<del>Role of the Radiation Protection Expert</del>
<del>8-Mar-2024</del>	<del>Radiation Protection Programmes</del>
5-Apr-2024	Role of the Radiation Protection Officer
10-May-2024	Role of the Medical Physics Expert (repeat)
4-Oct-2024	Role of the Radiation Protection Expert (repeat)
8-Nov-2024	Radiation Protection Programme (repeat)
6-Dec-2024	Role of the Radiation Protection Officer (repeat)

For MPEs and RPEs attendance at these workshops can count towards the points required under Category 1 of the RPE/MPE approval schemes (4 points).

To apply send email to [info.rpc@gov.mt](mailto:info.rpc@gov.mt) with subject title "**Workshop 2024**" indicating which workshop you wish to attend.
